An entry shall consist of digital images and can be up to a total of **5** images, but this number may be reduced if considered necessary by the Competition Secretary.

Digital images must be totally the entrant's own work. The subject matter must not be the whole or part of another person's picture.

Images should be no larger than 1920 x 1080 pixels

They **must** be numbered and named as follows **xx_your name_title**,

Whenever possible, the entries will be judged by a person who is not a member of the Society.

Any image other than the winner of the final may be entered for two heats (not necessarily the same year). The winner of the final shall not be entered for any further heats of the competition.

The winner of the final will hold the Projected Image shield for one year.
